## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 3/16/04 has been entered.

### ***Allowable Subject Matter***

2. Claims 1-6 and 8-14 allowed.
3. The following is an examiner's statement of reasons for allowance: Although the prior art of record teaches a system for labeling storage devices, wherein a reader reads the information to be printed on the devices, then transmits the information to a printer for printing on each device, the prior art of record fails to disclose all the details, including storing the printing information on a programmable device attached to the casing of the storage device to be transmitted to the printer when the storage device is selected. These limitations in conjunction with other limitations in the claims were not shown in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
